More Than Wild Beasts.

The number of people killed yearly by wild beasts don't approach the vast number killed by disease germs. No life is safe from their attacks. They're in air, water, dust, even food. But grand protection is afforded by Electric Bitters, which destroy and expel these deadly disease germs from the system. That's why chills, fever and ague, all malaria and many blood diseases yield promptly to this wonderful blood purifier. Try them, and enjoy the glorious health and new strength they'll give you. Money back, if not satisfied. Only 50c at Fred Wenzler's.

Sociological Study Club Is Entertained At the Home of

Mr. and Mrs. Zach Tanner.

The Civic Club was entertained Monday evening at the home of Mr. Mrs. Zach Tanner on north Michigan street, and the host and hostess were assisted by Mrs. Work and Miss Barr. A delightful and profitable evening was spent by the forty people present in hearing a book review and its discussion, review of magazine articles, and in conversation and music.

Mr. and Mrs. John R. Jones, Mr. and Mrs. C. Z. Rowe, Mrs. Lou Dial, Miss Nellie Seltenright, and Mr. Warren McFarlin were elected to membership. This makes a total of 99 members of this club which is devoted to the study of sociological conditions generally and as they apply to Plymouth in particular.

The special feature of the evening was a review of Shailer Matthews' "The Social Gospel" by Mr. A. R. Underwood. Mr. Underwood had studied the book carefully and prepared a thorough review of it, one of the best which has ever been presented to the club.

Shailer Matthews is Dean of the Chicago University Divinity School and is associated with Ernest DeWitt Burton and George Burman Foster in the editorial management of the "Biblical World," a publication issued by the University and which has come to be known as the exponent of what for a better term is called "Higher Criticism."

Mr. Underwood said that he had no cordial feelings whatever for the aggregation of professors who talk the higher criticism, "because when it comes to choosing between a man made and a revealed religion—between a religion conjured upon the Chicago Midway and that of the Bible—between Chicago University professors and Jesus of Nazareth—my choice is for God and his word, and the religion exemplified by the Lord Jesus Christ."

The purpose of "The Social Gospel" is to "set forth the social teachings of Jesus and his apostles as well as the social implications of the spiritual life," and it deals with the family, the state, economic life, and social regeneration. The gospel of Jesus demands that the disciples treat each other as brethren, and when we come to see that not what a man has but what he is, is the basis of value, we have come near to the ideal in the gospel of Christ.

Miss Slough discussed the review and brought out some good points. Following this Mrs. Hitchcock told of the important articles which have appeared the past month in such magazines as Hampton's, National Geographic, Everybody's, the Delineator, Literary Digest and the Saturday Evening Post.

The music of the evening was a delight to all. The Ladies' quartet composed of the Misses Boss, Miss Slough and Mrs. Randall sang Swanee River and Mr. Curtis gave violin solos accompanied by Miss Tanner.

Refreshments of salad, fruit wafers, coffee, and tea were served.
